Try DCA, then BWI, then IAD. All DC airports

Just enter WAS in the origination box and it will pull all at once

It's at "JUST" to go protest that you got it wrong. You need to think long term there, even if it's difficult. Or ask somebody to give you a lift. Go around your town and ask. I'm sure you're not the only one heading there.

try flying into surrounding airports.

like baltimore etc you can usually find way cheaper airports if you're willing to drive in a rental car for a few miles
